### ◆◆ SUMMARY OF MATERIAL MODIFICATIONS ◆◆

December 2016

To All Employees and Dependents:

The provisions of the Wisconsin Pipe Trades Health Fund (the "Plan") are set forth in your Summary Plan Description (SPD) booklet effective May 1, 2011. This Summary of Material Modifications is an amendment to the Plan and SPD to formalize language incorporating recent Trustee actions. New language which will be required to be added to or eliminated from your existing SPD is shown in italics.

#### UW Provider Change

Under the "Other Preferred Providers" section of your SPD, the following paragraph section will be removed in its entirety:

~~*"University of Wisconsin (UW) Hospital and Clinics are not included in the UHC network, but services provided at UW Hospitals and Clinics will be covered at the in-network level of benefits subject to a direct contract with Benefit Plan Administration."*~~

Language will be added to your SPD under the "Other Preferred Providers" section as follows:

*Effective January 1, 2017, University of Wisconsin (UW) Hospital and Clinics are covered in the UnitedHealthcare network, except for UW Behavioral Health Providers. UW Behavioral Health Providers are not in-network, effective January 1, 2017.*

You can find a listing of in-network providers at [www.welcometouhc.com/uhss](http://www.welcometouhc.com/uhss) under Behavioral Health Providers.

Please keep this Summary of Material Modifications with your Summary Plan Description (SPD) booklet for future reference. If you have any questions, feel free to contact the Fund Office at: (414) 359-7400 or 1-800-253-5713.

Respectfully yours,

THE BOARD OF TRUSTEES
